

Restaurant Revitalization Fund

Public Resource Webinar

Presented by the SBA Los Angeles District Office

The restaurant industry has been among the hardest-hit sectors during the economic downturn caused by the COVID-19 pandemic. To help bring jobs back and revive the industry, the American Rescue Plan, signed into law by President Joe Biden, established the \$28.6 billion Restaurant Revitalization Fund at the U.S. Small Business Administration (SBA). The SBA will administer the funds to the hardest-hit small restaurants.

This session will review program eligibility, priority populations, and what you need to prepare for the application process. Registration opens Friday April 30th and Applications open Monday May 3rd.

Details on program registration, application requirements, eligibility, and a program guide are now available in English at www.sba.gov/restaurants or in Spanish at www.sba.gov/restaurantes.
